

Call Minder Extra

Personal message boxes for crowded houses

Call Minder Extra has all the same features as Call Minder - plus the added luxury of up to 8 separate message boxes for your phone line. Every member of your household can get straight to their own messages without listening to everyone else's and, because every message box has its own unique PIN, each one is totally private too.

For example, having dialled 1571, press 1 if you're Sue (then enter Sue's private PIN), press 2 if you're Mike (then enter Mike's private PIN) and so on.

Call Minder Extra is useful for:

- Busy family homes
- Shared accommodation such as student digs
- Home workers and small businesses

Cost

£3.57 per month (including VAT).
