

Withhold Number and use of 141/1470

This service allows you to prevent your telephone number (CLI) from being displayed when you make a call. It can be done on a per call basis.

Instructions for Use

[Withholding Number on a Per call Basis](#)

1. Dial 141 before the number you are dialling

'Number withheld' will be displayed to the receiving party.

[Display your Number on a per Call Basis](#)

1. Dial 1470 before the telephone number you are dialling.
